

# *Woodland Brook Playground*

## **Scope of Work**

- Save existing swing set and play set
- Enlarge mulched playground area
- New border around mulched area
- New concrete patio with footer for sunshade
- Install new square sunshade (18' W x 18' L x 12' H)
- New concrete walkway
- Install new climbing geo dome (11' W x 11' L x 6' H) or teeter totter
- Install timbers for balance beam feature
- Install 3 large boulders
- Plant 6 new trees
- Permit costs

## **Budget**

- \$30,000-40,000

## **Community Discussion**

- Geo dome or teeter totter?
- Should we include electrical to the new patio area?
- Other feedback
